OBJECTIVE

Results-driven F&B and retail professional with 3 years of combined experience in team leadership and customer-facing roles. Diploma holder in Business Administration with hands-on experience managing an 8-person team in a high-volume F&B environment. Looking to take on a Supervisor role where I can apply my team management skills and service expertise to drive outlet performance.

WORK EXPERIENCE

Assistant Outlet Supervisor

Oct 2023 – May 2024 (8 months)

Tealive Malaysia — IOI City Mall, Putrajaya

- Supported the Outlet Supervisor in managing an 8-person team across 3 daily shifts
- Took full charge of outlet operations during supervisor off-days including shift briefings, scheduling, and performance monitoring
- Handled daily POS reconciliation, cash float management, and end-of-day financial reports
- Managed stock levels and coordinated with area coordinator on weekly inventory top-ups
- Resolved customer complaints on-the-spot and escalated unresolved cases to management
- Assisted in conducting monthly outlet audits for cleanliness, product quality, and SOP compliance

Shift Leader

March 2022 – September 2023 (19 months)

Secret Recipe Cakes & Café — Pavilion KL, Bukit Bintang

- Led a team of 6–7 service staff per shift in a high-footfall café environment
- Managed table assignments, order flow, and kitchen communication during peak dining hours
- Trained new service staff on menu knowledge, upselling techniques, and guest experience standards
- Maintained outlet cleanliness and food presentation standards as per brand SOP
- Prepared daily sales reports and submitted to outlet manager by end of shift

Retail Sales Associate

July 2021 – February 2022 (8 months)

Padini Concept Store — Sunway Pyramid, Subang Jaya

- Assisted customers with product selection and sizing in a fast-paced retail environment
- Operated POS terminal, processed transactions and handled cash and card payments
- Maintained floor display standards and restocked shelves during low-traffic periods
- Assisted in bi-annual stocktake and inventory count
